Traditions Add Color . . .

When to the sessions of
sweet silent thought
I summon up remembrance
of things past . . .

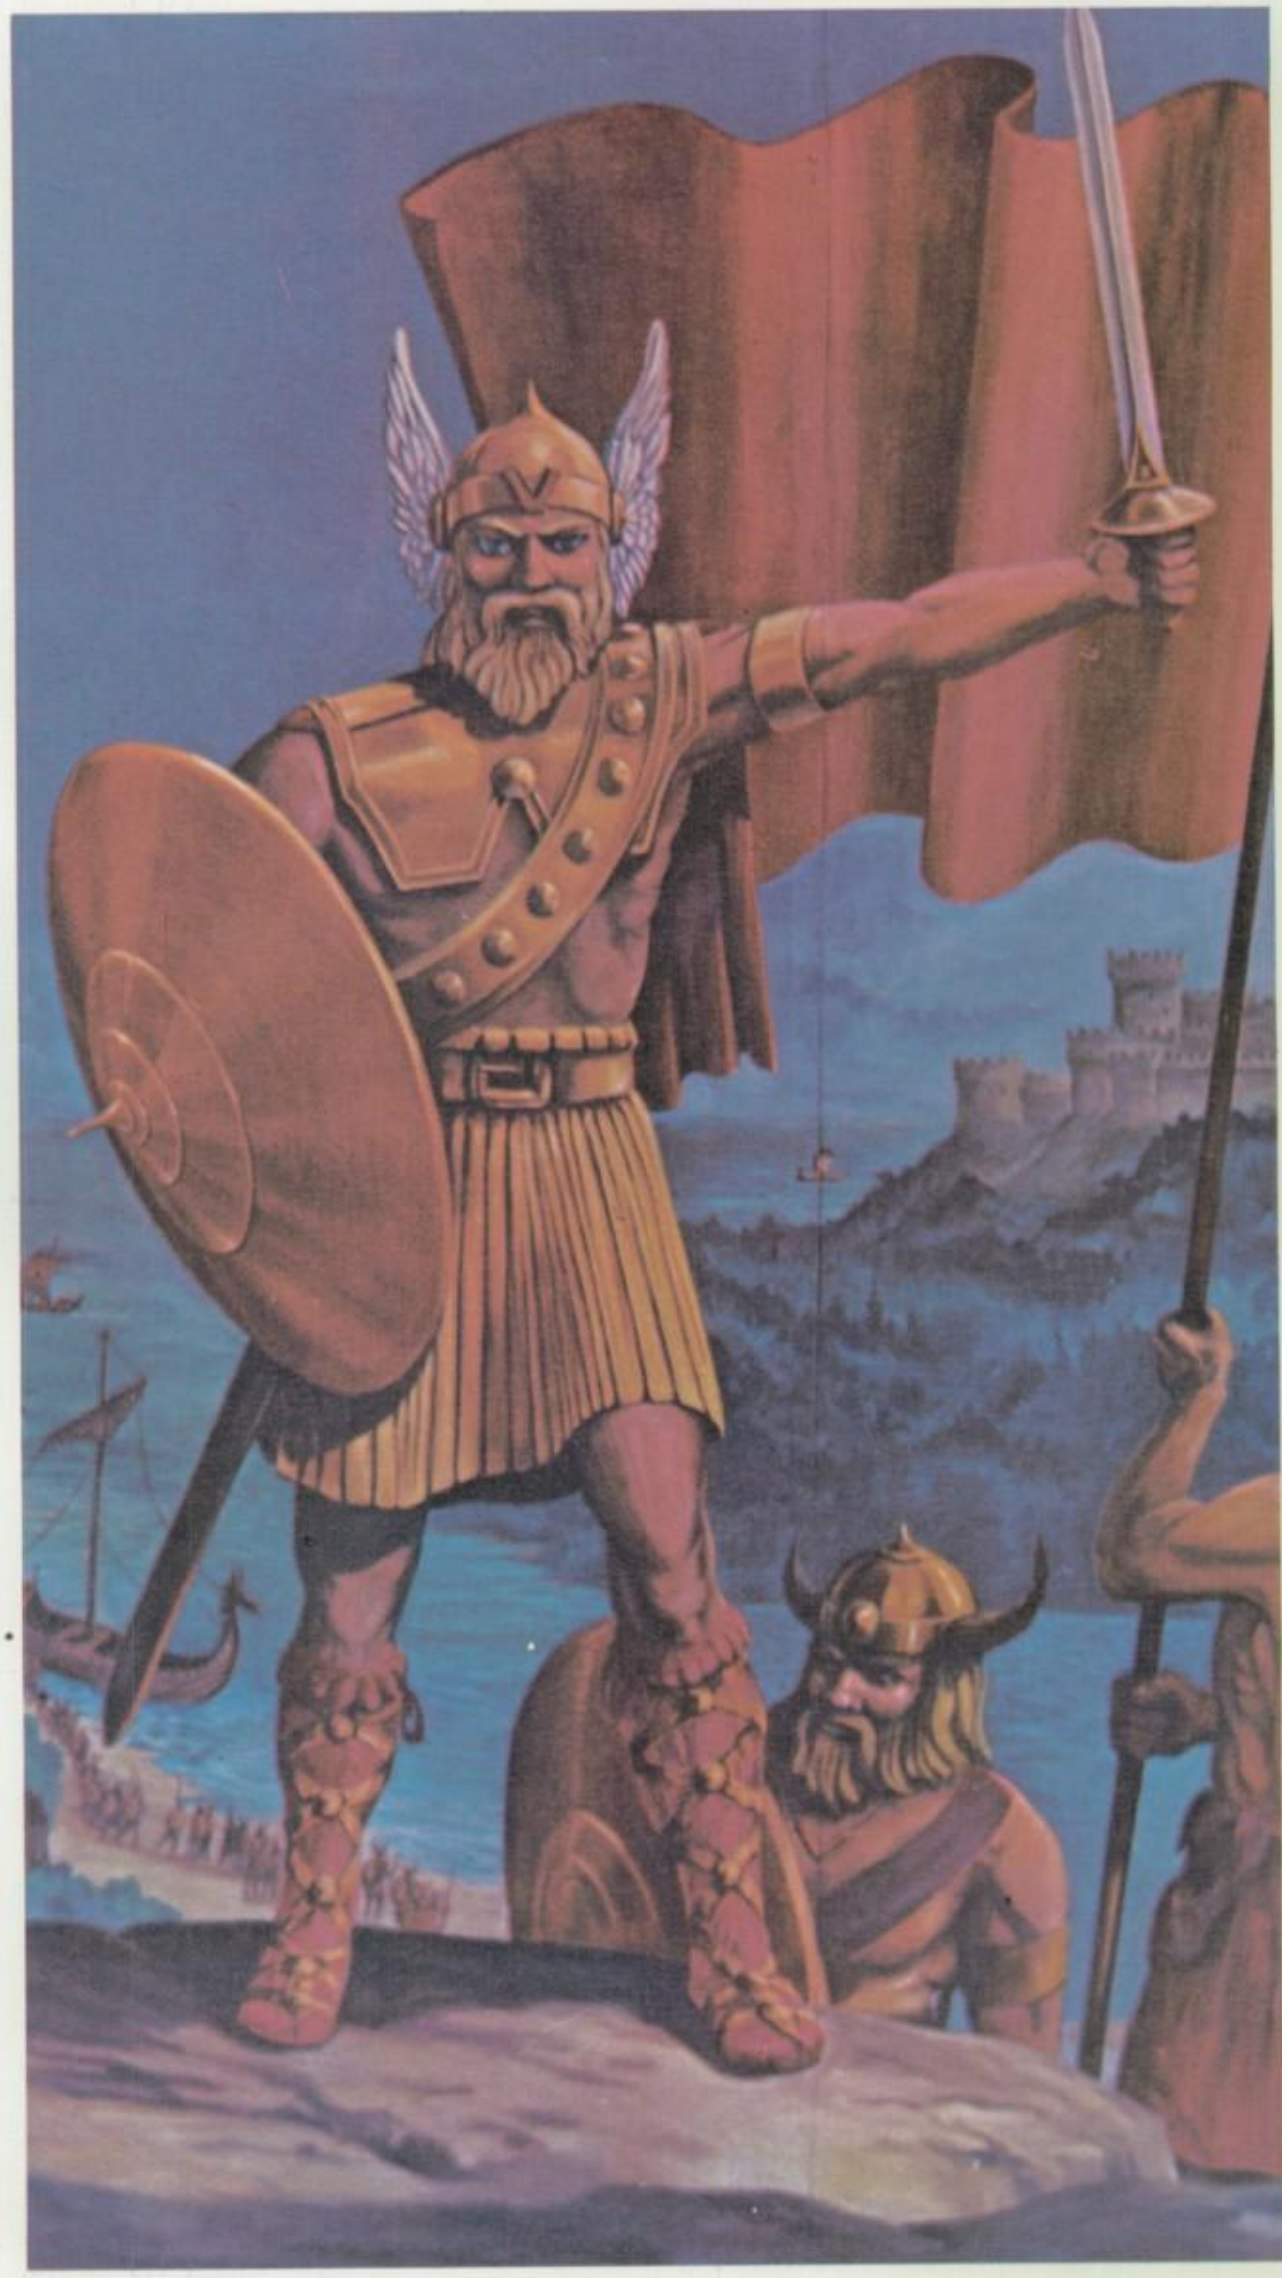
Homecoming is the greatest
of Valley's traditions —
decorations, excitement,
fun, enthusiasm,
Vi-Queen, Princess, Ladies
of the court . . .
All these memories that
long linger with us —
As the symbol of Viking
spirit watches
From his revered place
in the gym . . .



Memories Are Made Of This . . .

From registration in August to graduation in June, friends at Valley experienced joys and sorrows, successes and failures.

Within the garden of my heart
Where the flowers of friendship grow
There are blossoms of remembrance
Forget-me-nots-so blue,
And purple velvet pansies
To tell my thoughts of you;
And roses that will always bloom
Whatever be the weather
Whose fragrance is the memory
of days we spent together.

A Pattern Of Life . . .

Buses after school, Senior Circle and the Media Center are all part of the life at Valley. The buildings and campus are the concrete designs in which Valley students make out their pattern of life.

Life isn't given us all of a piece
It's more like a patchwork
quilt —
Each hour and minute a patch
to fit
To the pattern that's being built.

Assistant coach Buddy Robertson looks on as Valley plays Rio Grande.

During life one needs someone to look up to. This person generates pride and self-respect in everyone with whom he comes into contact. In his seven years at Valley High, Mr. Buddy Robertson has gained the admiration and friendship of all students as well as staff.

As director of Valley's new Media Center and head of the Social Studies Department, Mr. Robertson has shown his lead-

ACADEMICS

To the already wide curriculum offered to Valley students, a language-math class, a new sophomore English program, and a senior Sociology II course have been added this year.

Plans are underway to provide special classes and counselors for vocational students.

With better cooperation among staff and students, the educational community of Valley High School is becoming more beneficial to those who graduate into the outside world.

Principal David White Strives

Members of the Albuquerque Board of Education are Jeanette Stromberg, Ted Martinez, Dan McKinnon, Henry Willis, and Joseph Zanetti.

Mr. Ernest Stapleton, principal of Valley High from 1956-1962, now heads the Albuquerque Public Schools Administration. Serving under him as North Area Superintendent is Mr. Robert Montoya.

On the five-member school board, Mr. Joseph Zanetti and Mr. Daniel McKinnon were elected to replace Mr. Jackson and Mr. Thompson of last year. Other board members are Mrs. Jeanette Stromberg, Mr. Ted Martinez, and Mr. Henry Willis.

For Harmony Among Students And Faculty

Mr. David White is in his fourth year as principal of Valley. Among his hopes for the year were to see students and faculty use their guidance counselors more, to have students and faculty enhance student council's theme of "harmony", to see additions to curriculum to satisfy the students' needs, and to have the new Media Center be a useable and instructional center of knowledge.

Students are allowed to study, check out books, read magazines and come in as special groups.

Heading the Media Center for the first year is Mr. Buddy Robertson along with Wilma Lachman, head librarian. Also on the staff are Marjean Molzen, Barbara Pino, Delia Sanchez, Marge Komadina, Grant Waterman and Jean Grassham.

English Department Adds Directed Study

Added this year to Valley's English department is the directed study program for sophomores, juniors, and seniors. It is a program that utilizes the Media Center to its full extent. It is based principally on the idea that the individual student will progress at a different pace from that of the classroom.

Another new program is for sophomores only. It is called the basic review unit. Its purpose is to give the sophomores one final review in grammar and mechanics.

There is also a class for juniors and seniors called controlled reading which is taught by three teachers.

New semester courses include Cultures of the Southwest, taught by Mrs. Davis; Individual Creativity taught by Mrs. Eitzen and Mr. Parker; Shakespear and Dramatic Literature, taught by Mrs. Miller; Ethnic Literature, taught by Mrs. Murphey; and Great Ideas, a year long course that focuses on humanities, taught by Miss Williams.

Mrs. Rhodes and her aids, Lindia Rogalsky and Midge Yoshomito, discuss grammar usage with Carlos Gutierrez and Joe Romero.

This new program enables a student to work at his own speed on a course, but instead of taking one or two courses, as in directed study, he may take a conglomerate of courses. The resource center also provides personalized help for students taking the different math courses.

Another new course is language and math. The purpose of this course is to teach students the technical language of mathematics so they can read and understand math as easily as they would read an English book.

Other courses offered in the department are math analysis, Math II, probability and statistics, Algebra II, elementary functions of trigonometry, geometry, Algebra I, intermediate algebra, and elementary algebra.

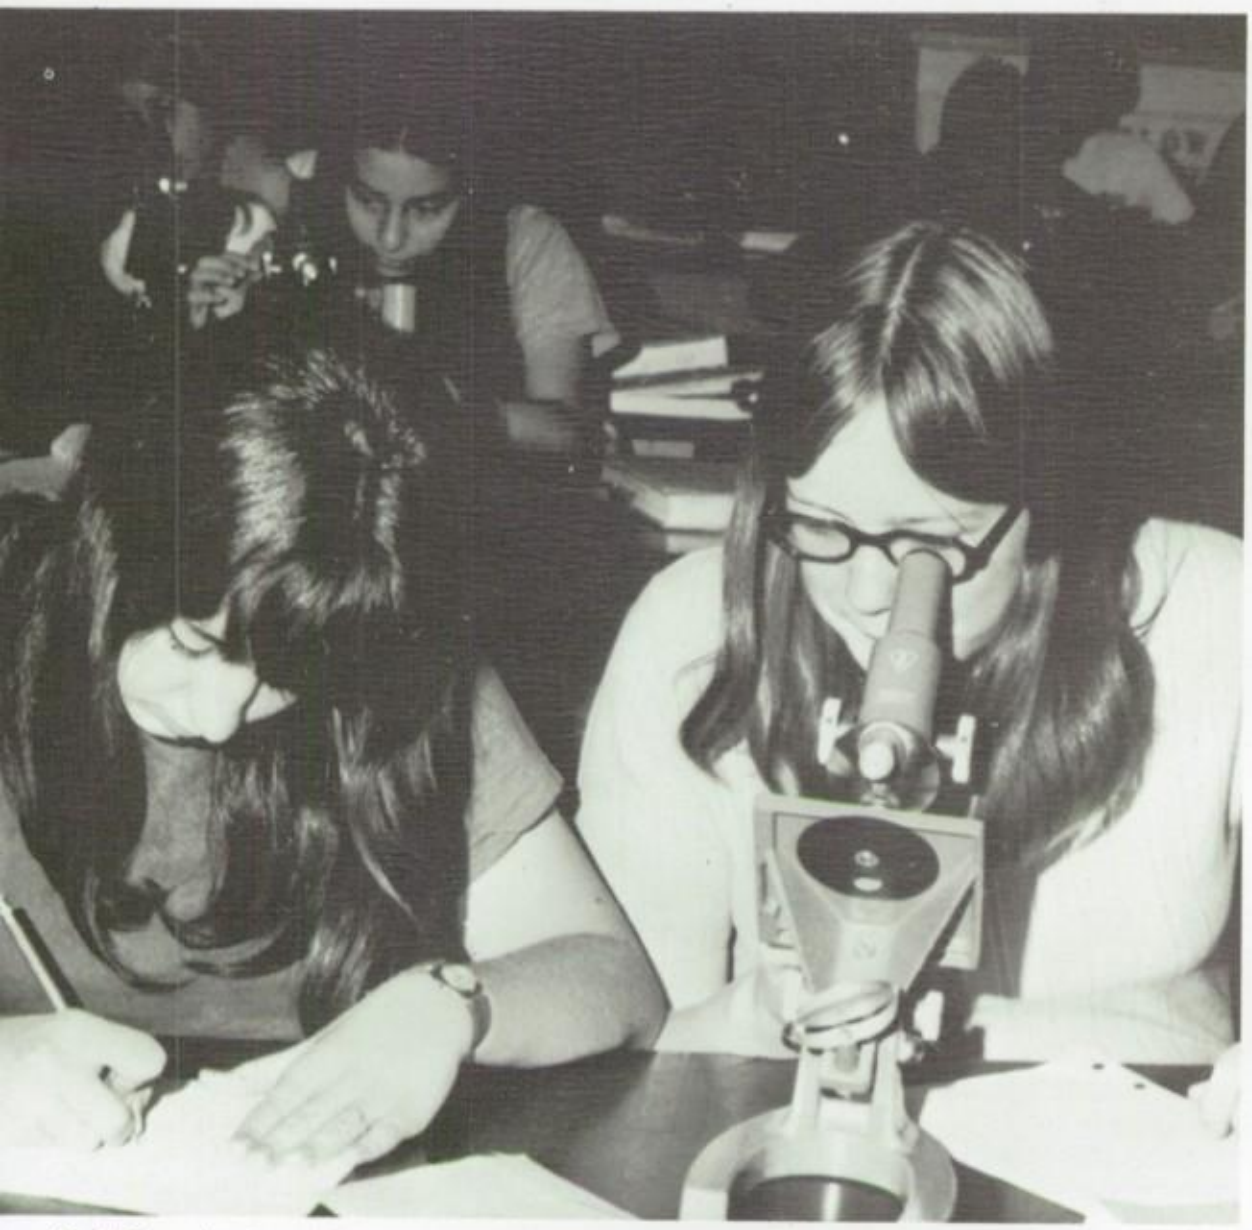
Offers A Varied Curriculum



Gail Conyford and Kay Johnson study specimens under the microscope in Mr. Talley's 1st period biology class.

Valley's Science Department, headed by Harry Bishop, offered a varied curriculum this year with such courses as Biology I and II, chemistry, physics, conservation and wildlife, zoology, and aerospace education.

Biology I is offered to all sophomore students and provides a comprehensive survey of basic biology. Biology II is an in depth study of a college Biology I course.

Physics is a senior course that covers the principles of heat, mechanics, and electronics. Chemistry is a college preparatory course designed to introduce the student to the general concepts of the chemical world.

Wildlife and Conservation is a two semester course that studies the conservation of the environment.

Aerospace education is in its third year at Valley. Throughout the year they touch upon such subjects as biology, physics, and chemistry.

Theresa Benton and Melvin Morris complete a dissection lab on a bat in Biology II.

Advanced Social Studies Students Offered

Directed study is offered this year to seniors who wish to learn about the actual problems of the world rather than the facts. Other seniors can choose between world survey or world history.

World survey is the study of four main continents while world history studies the history of the world.

Sociology II is added for students with advanced studies in sociology. These students help aid in teaching elementary students. Sociology I students study the problems of people living together as social groups.

United States history classes study the basic concepts of American government and the events that have marked the country's role in world events.

Communicative Arts Program

Don Shepard, Orlando Zuniga, and Jane Lovato utilize a saw while finishing a project in crafts class.

Valley's Communicative Arts program offers a variety of classes in student expression.

Mr. James Beasley, arts and crafts teacher, is head of the program this year. Mr. Beasley's art students frequently exhibit their talent around the school, especially in the new Media Center.

The language department division of communicative arts offers four levels of both French and Spanish.

Three areas of musical courses are offered with vocal music, band, and orchestra offering three years of study.

Two new faculty members in the department are Miss Ottinger who directs the orchestra and Mr. Kelley who has charge of the band.

Mr. Sheets and the girls' chorus rehearse a song for the Christmas Program presented by the music department.

Mr. Sandoval enriches his Spanish classes with tapes on all facets of the language.

Valley's Business Education Department

Heading the Business Education Department this year is Mrs. Sue Bowers. This program trains students for jobs in business after graduation as well as aiding them in college. This program provides jobs during school as a credit and also as work experience.

Business Survey, a class opened this year to sophomores gives an opportunity to sample the different parts of business in order to see if business is a field which they would like as a career. Another class offered is How Not to Get Cheated which deals with consumer economics. In this class students are given the privilege of progressing at their own rates. This class will have four field trips and many speakers this year.

Other courses offered are Typing I, Typing II, Shorthand I, Shorthand II, Stenograph, and Intensive Office Practice.

Studying for a business English test are Corrine Gallegos, Theresa Jaramillo, Anita Saiz, and Jo Ann Madrid.

Activities In Physical Education

Richard Lucero, Gail Jackson, Julio Delapena, and Robert Gerard participate in a game of flag football in physical education class.

Calvin Guymon lectures one of his sophomore physical education classes on the fundamentals of speed ball.

Valley has the best physical education facilities in the city because of the indoor swimming pool, tennis courts and new lockers for boys.

The physical education classes at Valley were very large, varying in size from 55 to 65 students per class. The size of the classes greatly limited the activities that could be undertaken.

In boys' physical education the activities included flag football, speed ball, wrestling, basketball, volleyball, flickerball, and mushball.

Girls' physical education included swimming, archery dance, tennis, bowling, gymnastics, volleyball, softball, and basketball.

All boys started the year out with a physical fitness program and ended with a one and a half mile run.

onstruct Powerful Radio Transmitter

David Baca and Charolette Ortega perform the final test on a meal prepared in foods class.

Mr. Chomiak's electronics classes spent the early part of the year constructing five tube radios and by the semester were able to perform minor television and radio repairs. Their biggest project, one which is of interest to the entire school, was the construction of a radio transmitter here at Valley. When completed the facility will be available to anyone for transmission of messages up to 5,000 miles.

Boys are a welcome sight in some of the home economics classes such as Mrs. Owens' foods class in which students learn the principals of purchasing and preparing food. The students even prepare and serve meals in class from time to time during the course.

One of the most active groups in the VHS vocational department is it's agriculture classes. Along with instruction of old standards such as parliamentary procedure, surveying, and animal husbandry is a new unit on forestry. Another new addition is Mr. Poe's unit on tractor operation, maintenance, and repair. Students also participate in extracurricular activities which include district and state cattle judging contests.

Donald Fritz, Helen Stubben, Pat MacNair, and Russell Mascone study tractor mechanics in Mr. Poe's agriculture class.

Lucy Garcia and Jeannette Lloyd prepare lunch for Valley's students.

New tables, too many students, and lunches that come too early in the morning are some of the problems that plagued Valley's cafeteria and its staff this year. The lunches at Valley started at 10:10, and the cafeteria staff also fixed lunches for an elementary school.

Clean, smooth running, and efficient — Valley would not be any of these things without its able-bodied custodians. They are constantly busy with tasks ranging from replacing a transformer to cutting the grass. Valley's custodians work long hours, staying long after everybody else has gone home.

Elsie Blan works the cash register during a busy lunch period.

ACTIVITIES

Homework and academic achievement are not all the accomplishments a student strives toward. From September to June, Valley's activities vary enough to include all students.

There are clubs of all kinds and for all reasons. A wide field in sports is offered for boys and girls.

Elections, sophomore initiation, cheering at games, and out-of-town trips to games are all a part of the student life at Valley.

Valley's activities started before September. From August 9—14, nine Valley students attended Student Council Workshop in Portales. On August 14, Mara Cobanovic, the AFS exchange student, arrived from Yugoslavia. Registration came on August 26—27 and the fun was over.

The most exciting happening of September came on the third when over two hundred students traveled to Carlsbad for our first football game. Included in the trip was a tour of the Carlsbad Caverns.

In an all-school pep assembly before the first home game against Bel-Air, six sophomore girls were chosen as 1971—72 B-team cheerleaders.

Valley's Rodeo Club sponsored a rodeo on November 13 and 14. Over twelve schools participated and from these Jennifer Haynes, a Valley senior, won the title of all-around cowgirl.

November 23 brought two Spanish plays sponsored by the Spanish classes. On November 24, the Wickham Trio performed in the Valley gym. From November 28—30 "Sneaky Fitch" was on stage in the school auditorium.

Christmas Party, Assembly, An

Things in December started off right with the first snowfall of winter. Students enjoyed this break from all the monotony of school.

On the morning of December 11, Valley's ROTC received the Michael J. Lujan Award for second place in the all-city drill team competition. That evening the Christmas dance was held in the cafeteria.

December 15 was the date of the annual Christmas party for underprivileged children sponsored by student council.

Two assemblies on December 17 brought the Christmas spirit to Valley. After presentations by the choir, the band, the orchestra, and the guitar class, Christmas vacation began.

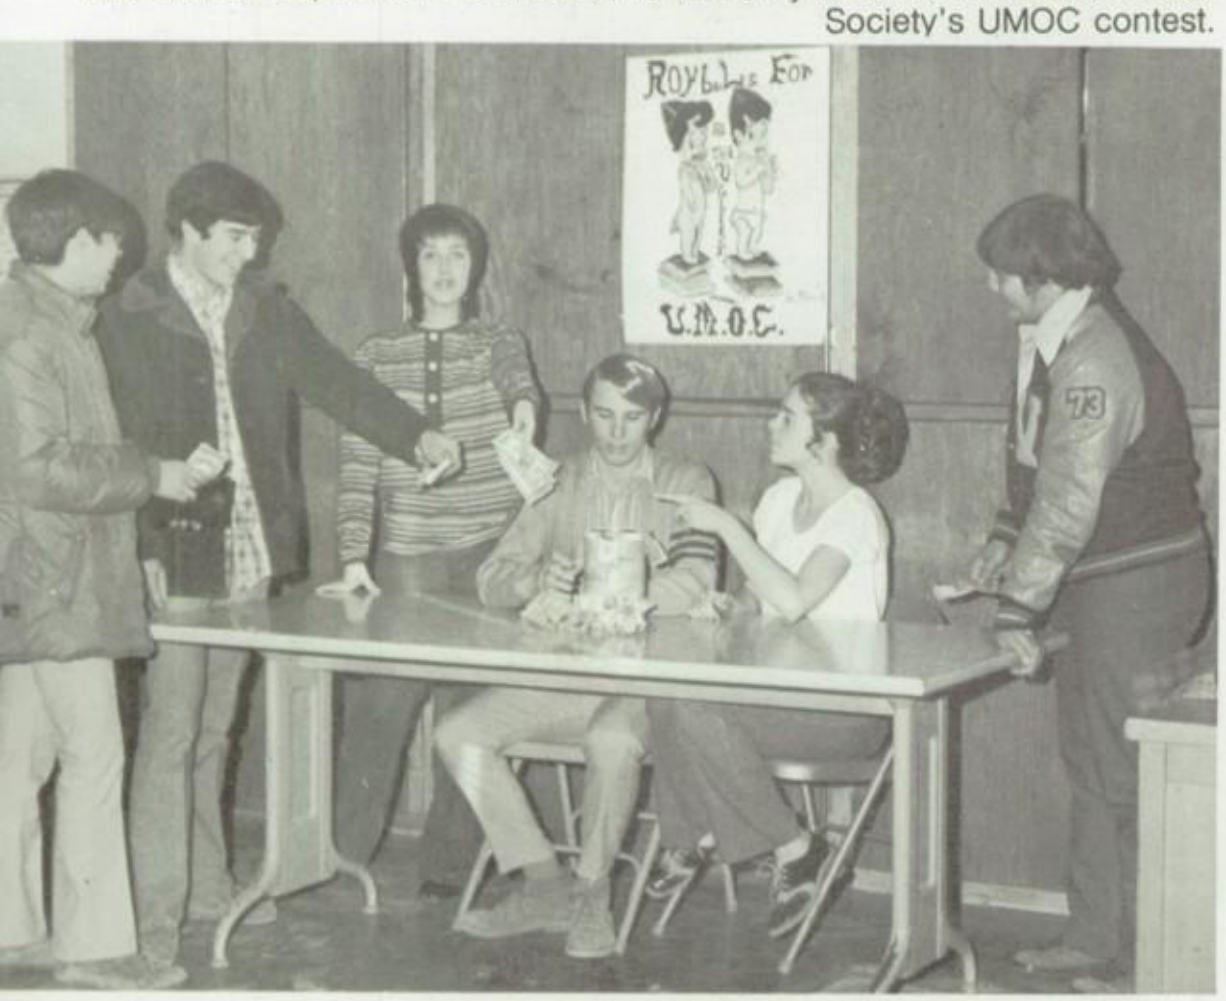
Every year the National Honor Society sponsors the Ugliest Man on Campus contest. This year the winners were juniors Rick and Rodney Roybal whose class collected more penny votes in a race with the seniors and sophomores. The juniors collected a total of $146.02.

Senior Bobby Couffer came in second with $92.16 and Mike Garcia, sophomore, was third with $16.86.



Don Harvel and Elaine Orwat, National Honor Society members, collect money from juniors Arnold Lucero, Dennis Martinez, Kim Smith, and Paul Montoya for UMOC.

Senior Class Chooses Larheta

In early December, the Senior Class elected Larheta Murdock to reign over the 1971 Christmas dance. The Junior Class chose Brenda Sanchez-Davis as their princess and Theresa Perea reigned as sophomore princess.

"Snow Frolic" was the theme of the dance. The cafeteria was transformed into a Christmas scene with brightly decorated trees, colored Christmas lights, and a dove of peace mural.

Senior Class President Mike Bandoni presented the queen with a gift from her class. Following this, Queen Larheta, escorted by Steve Martin, Princess Brenda, escorted by Mike Garcia, and Princess Theresa, escorted by Larry Lovato, danced to the music of "Judas" during the Queen's dance. January Featured Annual Talent Assembl

January was a month of excitement for many students at Valley.

January 21 was the biggest day in the basketball season. The Valley gym was wall-to-wall people as 2500 crammed in to watch the Vikings and the Albuquerque High Bulldogs meet in the "Game of the Year." Most left disappointed as the Bulldogs edged the Vikings 50-49.

Valley's annual talent assembly was January 28. Acts varied from Spanish flamenco dances, to bluegrass, to modern dance.

Valley Tutors Aid Elementary Student

Clara Garcia listens intently as her tutorees read aloud. Valley students tutor at seven area elementary schools to help slow learners and students who need special attention.

In the past years, Valley has had the largest tutoring program in the city. This year with 130 students tutoring, elementary school children have a better chance to get much needed help.

The tutors go to various Valley elementary schools during the week. They tutor basic subjects with which children have difficulty.

The tutors sacrifice only one hour a week for these children, an hour that can mean success or failure for a child in need of special attention.

Band Promotes Spirit, Presents Concerts

In the early part of the year the band's major focus was on marching at football games. This year they added color to halftime shows with precision drills to the music of such popular selections as "Joy to the World," "Oye Como Vas," and "25 or 64" as well as boosting spirit in the stands.

After football season their attention turns toward developing a concert band. Besides performing at the annual Christmas assembly and concert, they attended the District 7 Large Ensemble Festival. Then in spring Valley sponsored the North Valley Festival. Also a few exceptional students were chosen for the All State Band.

Stage Band, formally organized on student time, now has a class period of its own in which they learn jazz, jazz-rock, and popular selections. This year they participated in the West Mesa Jazz Festival.

Valley also has a spirited Pep Band consisting of students who volunteered their time to support the Vikings at home basketball games.

They choreographed and performed their own dance routines along with the band, to provide a variety of entertainment to some of Valley's many activities.

These nine girls held such money-raisers as playnights, car-washes, and candied apple sales. The money was raised to pay for their many colorful uniforms.

The Vikettes did something quite different this year. They all participated in a week-long dance workshop held in Santa Fe in the summer and brought back many awards.

ATHLETICS

Drawing enthusiasm and emotion from an audience is one of the rewarding aspects of athletics. An athlete learns to put his best into a job and nothing less. Each player strives to prove his ability, strength, and determination in assisting his fellow teammates to a victory. All sports greatly stress teamwork, fair play, and the ability to lose gracefully, and win humbly.

Vikings Go Winless Through '71 Footbal

1971 VARSITY FOOTBALL TEAM: *(Top row)* Coach Doughty, Coach Robertson, Vernon Smith, Brian Condit, Carl Kraus, Jesse Vandergriff, Renier Long, Mik Chavira, John Sedal, Charlie Kainz, Joker Wheeler, Roy Dennis (Mgr), Coach Helton. *(2nd row)* Allen McElroy, John Santillanes, Paul Montoya, Larry Gregor Pat Otero, Gilbert Romero, Mike Pacheco, Ray Montoya, Nick Lovato, Johnny Gonzales, Dean Triplett, Augustine Quintana, Coach Sord. *(3rd row)* Coac Kloppel, Jimmy Anderson, Mario Martinez, Russell Dickson, David Baca, Arnold Lucero, Maurice Silva, Glen Garcia, Fred Davis, Ronnie Amestoy, Don Grieg

Valley's 1971 football squad ended a long and disappointing season as they dropped ten games in a row.

Plagued from the beginning by early injuries and vast inexperience, Valley traveled to high rated Carlsbad where they dropped the season opener 0—49. In their home opener Valley dropped a 7—28 decision to Bel Air of El Paso. Although disappointed, the Vikes went on to district play.

In district, Valley lost some close games with teams in the city. Against Albuquerque High the Vikings fell short by one point in a 7—6 loss.

Most of the other games Valley was forced to play catch up football. The Sandia game was an example of that. Most of Sandia's points came in the first three minutes of the game. Valley never could quite close the gap.

The determined Vikes never gave up and went into their seventh game against the Eldorado Eagles. Eldorado, doing exceptionally well this season, was out to get the Vikings and repay them for the beating they received the year before. The Vikings were able to hold the Eagles most of the night, but a big rally by the Eagles brought about a 7—3 Viking loss.

As the final games approached, Valley's chances seemed to diminish. The last two games were against the best teams in the city, Highland and West Mesa.

At the season close, Valley found itself without a win but never the less a much improved team with a bright out-look for the coming season.

Valleys' 71-72 varsity basketball team under first year head Coach Cal Guymon, set their aim at starting a winning tradition at Valley. However, they fell short with twelve wins and fourteen losses at the end of the season. In district 2AAAA the Vikings ended regular season play with an even 8-8 record to tie with Sandia High for fourth place. The Vikes advanced to the quarter finals of the District 2AAAA tournament only to lose to Highland 60-53.

Pre-season polls had picked Valley as a dark horse candidate in district and Valley seemed to be on the road to a district title with a 7-1 district lead early in the season. However, the Vikings fell on hard times there after going into a six game losing streak which was finally broken late in the season.

Lorenzo (Joker) Wheeler finished second in city scoring with an average of 16.4 points a game and was the only player unanimously named to the all city team. Roosevelt Rogers Wheeler also was named to the all city team. Valley also twice made the coaches top ten high school poll.

hn Santillanes out jumps his opponent for a bucket.

Valley's Norsemen completed their season by placing second in the District Junior Varsity Tourney. Although they finished the regular season with a 9-9 record, they came on strong in the final tournament. The Norsemen were sparked by All-Tournament Team members James Sherred and John Santillanes who had continuously led them throughout the year.

The Norsemen started out their season with two District losses to Eldorado and Del Norte but rebounded back for five straight District wins. They then skidded to six straight losses ending with a final 8-8 record.

The Norsemen were aided by members of the C-Team, who themselves compiled a final record of 8 wins and 12 losses.

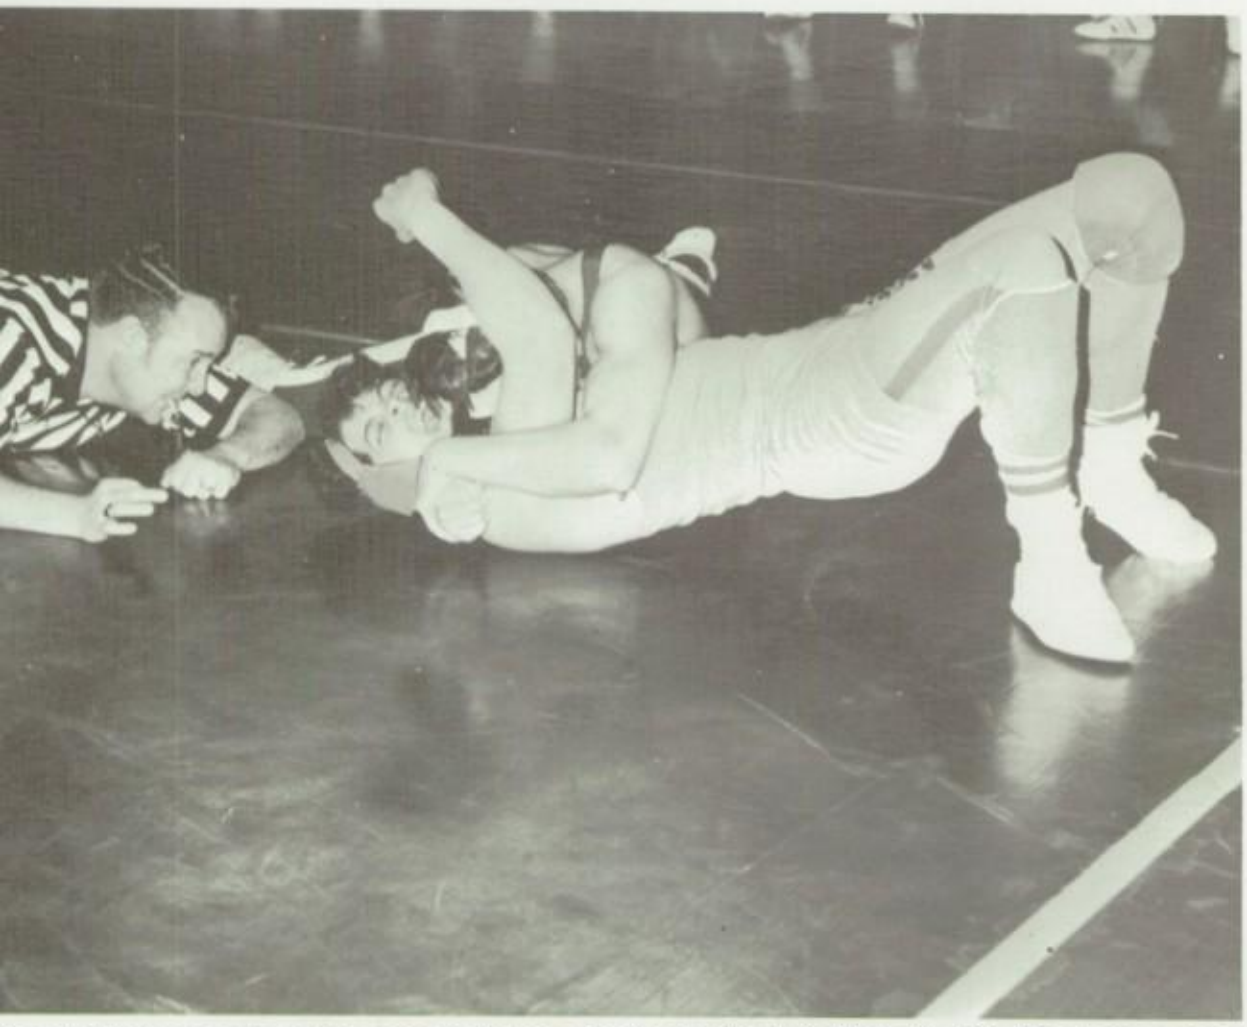
Wrestlers To State Tournament In Carlsbad



Arnold Lucero pins his opponent from Santa Fe High in Valley's 31-25 victory over the Demons.

Valley's wrestling team had failed to have a state champ since 1967. This year Richard Wall led eleven Viking wrestlers to Carlsbad for the state meet where he captured the 141 lb. title for Valley. Richard's victory over Highland's David Moore was a big upset because Moore was considered one of the better wrestlers in state.

During the season, Valley's dual record was 5-5-2. Two of which were lost by only two points. The most eventful of these close matches was against Del Norte here at Valley. Both teams were tied until the heavyweight match in which Modesto Griego was defeated by two points.

Encouraged by their dual record, Valley went on to district held at Eldorado. There they managed to have five men in the finals but only one of them placed first. Valley ended with 63 points for fourth place.

Throughout the season, Valley's swimmers were plagued with illness. The team competed in 10 out of their 12 regular season meets, with one of more swimmers unable to compete. The team compiled a 4-8 season record, which marked one of the few times a Valley swim team has finished with a losing record.

The team, under second year coach David David, rebounded quickly from their losing season at the State meet. Valley had six swimmers qualify for the meet, with three of them placing in the top six in their event. The Vikings finished in a tie for sixth in state, which is the best showing a Valley swim team has ever made.

Valley's 1971 Baseball team finished third in district. Valley was in the running for the championship when two critical losses put them out of the running. The Vikes then came back and beat Manzano 9-0 and by doing so knocked the Monarchs out of first place. Valley then beat Sandia 13-1 to throw the district race into a tie between the Matadors and the Monarchs; Sandia won the playoff and went to state.

Hit heavily by graduation the Vikings have nine returning lettermen this year, four of whom started last year. Around this nucleus Coach Buddy Robertson built a team for 1972 that was picked by coaches in a preseason poll to finish second in the district.

Valdez ran the high and low hurdles but failed to score. Wheeler took a third in the long jump, and failed to score in the low hurdles.

Head coach Jim Doughty began his ninth season of coaching in 1972 with eight returning lettermen, six of them seniors.

The schedule of meets for 1972 included two road trips, one to Santa Fe for the Capital City invitational and the other to the Las Cruces Invitational. Added to the schedule this year one of the largest invitationals in the state with sixteen teams from New Mexico and Texas traveled to Albuquerque for the new Albuquerque invitational held at Wilson Stadium on March 18.

Golfers Finish Seventh In District Meet

972 Golf Team includes John Daub, Jeff Peacock, Coach Vic Crocco, Mike Chavira, and Issac eVilliers.

At the end of the dual match season last year, Valley's Golf Team had won six and lost eight. Entering the District 2AAAA Tournament, which qualified the two teams for state, Valley placed a disappointing seventh.

Senior Dennis DeVilliers, Valley's best golfer, missed qualifying for state by one stroke. Coach Vic Crocco felt the cause for the dismal finish was the teams lack of depth.

This season, with only one returning letterman, the Vikes again appear handicapped by a lack of depth as only four men, the minimum needed to field a team, have reported for the sport.

B-Team cheerleaders are *(Top to bottom)* Shelly Robinett, Dodie Trujillo, and Pegi Conrad.

One of the most active groups at Valley was the cheerleaders. These spirited girls were present at every activity contributing much to the morale of the school and the athletes they cheered for.

This year the six members of the Varsity squad, Stephanie Anderson, Ellen Baxter, Antoinette Borde, Mary Gorman, Valerie Sanchez, and head cheerleader Denise Tixier were constantly busy promoting Valley spirit with Pep assemblies, rallys, spirit ribbons and booster signs. Proceeds from their money raising projects helped pay for their uniforms and gifts for the teams.

Norsemen cheerleaders were Pegi Conrad, and Alice Gorman (co-heads), Teri Ortega, Shelly Robinette, Denise Sanchez, and Dodie Trujillo. These six sophomores cheered all B-team sports plus C-team basketball. They gave dinners for their football players as well as their wrestlers. They also helped the Varsity cheerleaders in assemblies and painting signs for the games.

UNDERCLASSMEN

Sophomores and juniors constitute the underclassmen at Valley. These two classes help carry on Valley's many traditions.

While taking part in many activities and making new friends, the sophomores experience the fun of high school life.

Neither new and unexperienced, nor tops and superior, the juniors look forward to next year when they will be the leaders of the school.

From bottom to top, underclassmen strive for perfection. Beanie week, homework, selling candy, and going to the first prom are some of the experiences of underclassmen.

SENIORS

Anticipation . . . of a high school life soon to be ended . . . of a new life soon to begin. For many of us this will be the end of our school years. For others it is on to college and more studying.

For many seniors, high school has been a great experience. For others it will just be a memory. As a wise man once said, "Our pasts matter not now, we must concern ourselves with what lies ahead."

Mike Bandoni Chosen By Senior

Senior class officers are Rosie Sandoval, student council representative; Kris Wolf, secretary; Johnny Gonzales, vice-president; Mike Bandoni, president; Patty Chavez, historian; and Patsy Snowden, treasurer.

THE CLASS OF '72 . . . The first leaders were Dean Triplett as president and Tom Tokars as vice-president. With the assistance of sponsors Mike Gruner and Larry Caudill, the class sponsored playnights bake sales, the annual Sweetheart Dance, and raised enough penny votes to put Charlie Gonzales second in the UMOC contest.

As juniors, the class elected Robert Martinez as class president and Kevin Jaramillo as vice-president. This year brought more responsibilities. Aided by Robert Blagg, Jack Phillips, and Sue Bowers, the class strived toward one goal — the prom.

The class gained support when they won the spirit stick at the first pep assembly of the school year. With this behind them, they raised money through bake sales, a skating party, the Hillbilly Dance and the selling of class booster buttons. Touching up Valley, they repainted the parking lot. This year they placed Carl Kraus third in the UMOC contest.

The class of '72 elected Mike Bandoni as senior class president and Johnny Gonzales as his vice-president. Their first big project was the initiation of the sophomore class. It was a big job, but it was one full of fun. Bobby Couffer ranked second in UMOC voting this year.

Their final goal as Vikings was to present the school with a lasting gift. Through funds raised by bake sales, skating parties, playnights, the sale of beanies and the proceeds from the Christmas dance, the seniors purchased a custom-made steel statue of a Viking. It was placed in the Senior Circle to greet all visitors for years to come.

The class of '72 spent three years at Valley. They met with enthusiasm, participated in sports, experienced student government, went to homecomings, cheered at pep assemblies, met foreign exchange students, won class competitions, fought for grades, accepted honors, and gained personal pride. They leave and with them they take the memory of good times and bad, of victory and defeat, of sadness and joy. They have come a long way and they have a long way to go.
